

REMARKS

The allowability of all the claims upon amendment of claim 10 is acknowledged appreciatively.

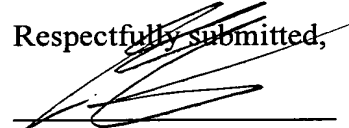

The domino pattern is now described as a pattern of domino pips shown in original Fig. 7, for example, and now described with reference thereto in the specification.

The domino pattern or configuration is also shown in Fig. 6 and described at page 10. line 6.

New claims 17 and 18 restore the original multiple dependence of claims 11 and 12 from claim 10 for allowability for the same reasons as claims 11 and 12.

Reconsideration and allowance are, therefore, requested.

Respectfully submitted,
